MEMORANDUM FOR RECORD

Following return of attached from [] I inquired of [] regarding DIA recommendations on USIB Committees' membership. He advised that Carroll memo had been sent to DCI on 8 June.

25X1A

After inquiring of [] about Carroll memo, it was sent from O/DCI to D/NIPE on 7 July. Bross sent to me on 8 July asking what action should be taken.

25X1A

After discussing with [] I suggested 3 steps:

25X1A

(1) Consulting Committee Chairman as planned by DCI.

(2) Working out changes in DCID 1/7 and 6/3 with DIA and Bannerman regarding 1/7 and NSA regarding 6/3.

(3) Studying whether changes in phraseology in DCIDs by DIA would change meaning and whether this working exercise was worth the effort.

I suggested that Bross could take these steps or I would undertake them, consulting with him before reporting to DCI. He asked me to do latter.
